

## **FITOK Limited Lifetime Warranty**

The FITOK Group and our authorized distributors hereby warrant to our customers that our products are free from defects in material and workmanship for the life of the Products.

This Warranty only applies to Products purchased directly from FITOK or our authorized distributors. All other purchases are expressly excluded from any warranty coverage. The customer's remedies shall be limited to replacement and installation of any parts that fail through defect(s) in material or workmanship. Liability of installation is limited to reasonable costs that have been approved by FITOK in writing in advance.

All electrical components installed in or on the Products are warranted to be free from defects in material and workmanship for twelve (12) months from the date the customer purchases from FITOK or our authorized distributors. The warranty of all customer-specified components is governed by the applicable manufacturer's warranty separately.

All other warranties not provided herein are specifically DISAVOWED. The FITOK Group and our authorized distributors shall under NO circumstances be liable to the customer or any third party for any direct or indirect damages.
